

Duncan,

“Everything was absolutely wonderful! I cannot thank you enough for all that you and your staff did to make my day perfect. Mom and I could not have asked for anything more. Thank you so much for all your hard work. You exceed all expectations! I also wanted to let you know that all of our friends and family were raving about how wonderful the food was! Everyone loved it and wanted to know who our caterer was. Thank you again for everything!!”

Duncan –

Wow. You and your crew did a fabulous job on our reception. Your attention to detail is so impressive. We were so surprised and pleased with the way you personalized the watermelon! I’d love to see that process some time. That was incredible.

The food was delicious and beautifully served. Anna and Wes were so touched by everything in their picnic basket – esp. their names on top! What a truly nice touch. She told me about everything you included. That’s such a thoughtful thing to do.

We can’t thank you enough for helping to make Saturday a wonderful day for our family.

We want to sincerely thank you and your team at Valley Café for an incredible job at our wedding last Saturday. The food and presentation were absolutely wonderful, and all of our guests were very impressed! Please tell William as well that the cake and cupcakes were wonderful! Thank you as well for your patience dealing with us and our last minute changes at the venue, as well as the unforeseen challenges in Charleston that took place over the weekend. Thank You!!

I hope you know how pleased I was with your food and service. I am so glad I trusted you with this most important day. I had leftovers yesterday and they were delicious. Those green beans and Mac and cheese were my favorites and the cakes were awesome. I am sure you don't need it, but please feel free to drop my name if you ever need a wedding reference.

Kaye

Above and beyond. You guys are amazing. I doubt you will ever need it but feel free to use me as a reference regarding your catering services any time you want. Even though our order was quite small, I am more than happy to help you guys out in kind should you ever need it.

My husband over heard my initial phone conversation with you and said you are very professional and he wanted to use you without consulting with anyone else. To Duncan and Your Amazing Staff,

I am writing this note to thank you and the employees of the Valley Cafe for providing my family with our deliciously prepared Thanksgiving dinner. We are still talking about how great the food was!

When unexpected circumstances changed our plans this year, I called your restaurant in a panic, but you assured me your staff could make our early, last-minute Thanksgiving dinner for 12 happen...and with just three days' notice!

The five side dishes and casseroles were absolutely wonderful! The two desserts were beautiful, delicious and perfect! Plus, everything came packaged so nicely that there was no need for us to serve our meal any other way.

Please express our sincere gratitude to all of your staff who created our remarkable Thanksgiving dinner, Duncan. Their creativity, pride and hard work were evident in every single bite we enjoyed, and we counted the Valley Cafe and its staff among our blessings this year.

With all of their attention to detail, this was the most enjoyable Thanksgiving meal I can ever remember serving! God bless all of you at the Valley Cafe!

Sincerely,

LYNDA and FRITZ B.
